

Recycle your food scraps with FOGO

FOGO (Food Organics and Garden Organics) is a new way we can all recycle our household food scraps every week, coming in November 2024*

**For residents living in houses, townhouses and unit buildings less than 30 dwellings.*

● APRIL-MAY

Property owners will be sent a form to confirm the preferred size of their red lid garbage bin.

● LATE JULY-OCTOBER

New red, yellow and green bins delivered. Keep placing your food scraps in the red lid garbage bin for now.

● LATE OCTOBER-NOVEMBER

Kitchen caddy delivered.

● NOVEMBER

FOGO waste collection service commences. Start using your green lid kitchen caddy and placing food and garden waste in your green lid FOGO bin.

Keep me on the fridge to keep up to date with FOGO
