Celebrating
summer in
Parramatta

CITY OF
PARRAMATTA

Lord Mayor's message

Welcome to the latest edition of *Parramatta Pulse*.

Summer is now in full swing, and it's a busy time of year for events and festivals in Parramatta. I would like to wish everyone a Merry Christmas and Happy New Year, and I look forward to seeing what 2020 holds for our wonderful City.

I'd like to take this opportunity to welcome Brett Newman, the new Chief Executive Officer of City of Parramatta Council, who commenced his role in September. As we approach the New Year, I have great confidence in what we can build together for the community moving forward.

Carols in The Crescent

Get into the Christmas spirit this year with Carols in The Crescent, hosted by popular Australian singer and television star Guy Sebastian. There will be a two-hour stage show with a great line-up of performers including musicians, comedians, Santa and more. The event kicks off from 4pm on Saturday 14 December at The Crescent in Parramatta Park. There will be plenty of food stalls and rides for families to enjoy before the concert starts at 7pm. In lieu of

paying for a ticket, The Sebastian Foundation will be asking for donations to raise funds for a local project to help women and families escape domestic violence.

New Year's Eve

Celebrate the New Year with Western Sydney's largest New Year's Eve event from 6pm in Parramatta Park, on Tuesday 31 December. The whole family will be entertained with rides, music, dancing, animal shows, workshops, and more than 20 food stalls to explore. Enjoy live performances by The Soul Movers, The Goods, and comedian Anthony Salame. The evening will conclude with a wonderful fireworks display at 9pm. I am excited to see the community come together to ring in the New Year.

Australia Day

Celebrate what it means to be Australian at our Australia Day event in Parramatta Park. There will be non-stop entertainment from 6am to 9.15pm on Sunday 26 January. Highlights of the event include a hot-air balloon display, classic vehicles at CARnival, kids' activities, live entertainment from high profile performers, delicious food, amusement rides, fireworks and more.

*Lord Mayor
Councillor Bob Dwyer*

Welcome to our new Lord Mayor Cr Bob Dwyer and CEO Brett Newman, who began this September. Congratulations to Deputy Lord Mayor Cr Michelle Garrard who was reappointed.

Your City UPDATES

Parramatta Square update

Design work continues on 5 Parramatta Square, the City's new civic, cultural and community building in the heart of the CBD. It is on target to open in April 2022, coinciding with the completion of the rest of the Parramatta Square precinct. In August this year, a Development Application was lodged to progress the multipurpose building that will extend above the historic Town Hall. Featuring an open, flexible layout and tessellated facade, the civic building will showcase contemporary and innovative sustainable architecture.

Parramatta Light Rail update

George Street in the Parramatta CBD has become two-way as part of the Parramatta Light Rail program, helping to improve the flow of traffic through the City. George Street has been converted to two-way traffic between O'Connell Street and the Harris/MacArthur Street intersection, moving motorists efficiently through the heart of Parramatta and redistributing traffic volumes across the local road network.

The Parramatta Light Rail will connect Westmead to Carlingford via the Parramatta CBD and Camellia, and is expected to open in 2023. The Sydney trains T6 Carlingford Line will permanently close on Sunday 5 January 2020. For more information visit parramattalightrail.nsw.gov.au

New speed limits in CBD

Council, in partnership with Transport for NSW, has introduced 40km/h speed limits in the Parramatta CBD and some parts of North Parramatta, Westmead and Harris Park, to improve safety for all road users. The 40km/h speed limit will particularly benefit the elderly, children, pedestrians and cyclists. For more information visit cityofparramatta.nsw.gov.au/safespeedlimits

Darcy Street has reopened

Darcy Street reopened to both pedestrians and vehicles on 30 November 2019. Direct pedestrian access via an underground retail link from Parramatta Station to Parramatta Square and the public space will open shortly after. For a full list of access changes visit cityofparramatta.nsw.gov.au or call 1300 617 058.

Artist's impression of the new aquatic and leisure centre

New aquatic and leisure centre coming to Parramatta

Council has revealed the concept design for the new aquatic and leisure centre, following an announcement that the NSW Government will co-fund the project. The new facility will offer the community a welcoming and inclusive space where they can learn to swim, train, compete and cool down.

Based in the Mays Hill precinct of Parramatta Park, the new centre will feature indoor and outdoor pools, learn-to-swim facilities, café, fitness centre, parking facilities, and year-round health and wellness services.

A new social hub for the Parramatta community, the facility will incorporate the latest sustainable architectural design. Unique features include sensitive integration with the site's parkland surrounds, a generous use of space and light, as well as single-level accessible entry and pathways.

With more than a million visitors expected to use the facility each year, Council is progressing with additional detailed design work with a view to lodging a Development Application in 2020.

For more information visit cityofparramatta.nsw.gov.au/poolupdate

Construction on EAT STREET coming soon

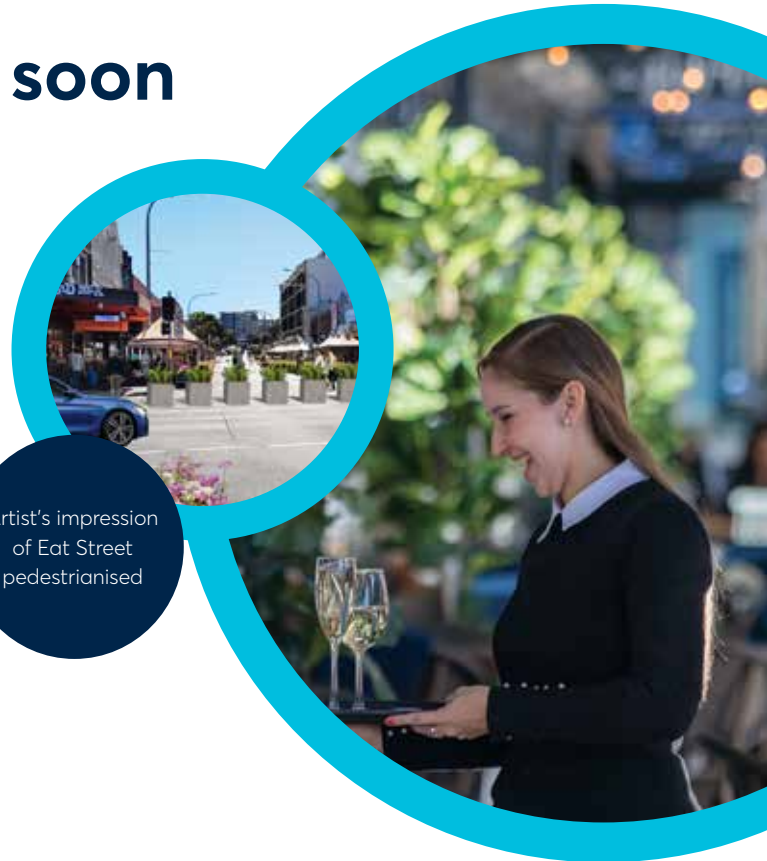

The construction plan for Parramatta Light Rail on Parramatta's famous 'Eat Street' will see Church Street closed to car traffic from 1 February 2020, and major construction to begin from June.

To support local businesses on Eat Street, Council will be waiving the outdoor dining fees for cafés, restaurants, bars and other outlets during the construction of the Parramatta Light Rail.

From 1 February 2020, Church Street will become a pedestrian-only zone between Macquarie Street and Market Street as work on the crucial project gets underway.

Outdoor dining will continue until major construction begins in June 2020. Construction will be put on hold for the important summer trading period, and during this time Transport for NSW will provide some temporary outdoor tables and seating as part of activities and events between 1 November 2020 and 31 January 2021.

For more information visit parramattalightrail.nsw.gov.au

Celebrating summer in Parramatta

Left to right: Lord Mayor Cr Bob Dwyer, Erth Artistic Director Scott Wright, Ronda Gaffey and Lyn Watkins of Parramatta Female Factory Friends, and author Judith Dunn.

Foundation Festival

Foundation Festival took place from Thursday 31 October to Sunday 3 November.

Celebrating and appreciating our rich cultural heritage, the event took place in 10 locations of great significance to Parramatta's history.

Sydney Festival

This January, Parramatta will play host to major theatre and music events as part of Sydney Festival.

For more information go to page 14. See the full program and get tickets at sydneyfestival.org.au

Upgrades in your area

Buller Street

Constitution Hill shops

North Granville Community Facilities Masterplan

North Rocks

John Wearn Reserve, Carlingford

Thanks to \$5.2 million from the NSW Government's Stronger Communities Fund, the 2.4 hectare park is under construction as part of the North Rocks Park Precinct Masterplan. It will host a new and improved playground, dog park, carpark, amenities block, skate park, fitness station, barbecue facilities, multi-use sport court, picnic shelters, and a new stage with amphitheatre seating. The upgrade is expected to be completed by February 2020.

North Rocks Park, Carlingford

The park underwent a major lighting upgrade in July as part of the Stage 1 North Rocks Masterplan. The project was delivered thanks to \$120,000 from the NSW Government's Stronger Communities Fund and a \$50,000 contribution from the Hills Football Association. Four new metal LED lighting poles are now operated by a smart phone app.

Chisholm Centre, Winston Hills

Access to the Chisholm Centre has been improved with the addition of new stairs from Bellotti Ave. Made from solid concrete, these stairs feature handrails

and tactile indicators for the visually impaired. Consultation is now complete for the upgrade of the Chisholm Centre; the concept is now in detailed design and is being finalised.

Carmen Drive shops and reserve upgrade, Carlingford

Construction is under way on the \$900,000 upgrade of the Carmen Drive shops and reserve. The upgrade will include a new fenced playground, amenities block with baby change table, and carpark, as well improvements to the existing shop front.

Ventura Road shops access, Northmead

The concept for the \$425,000 upgrade has been finalised, with community support. Construction to improve access from the adjoining reserve to the shops, streetscape and garden beds, will begin in January 2020.

Barnett Dog Park, Winston Hills

Council is upgrading the dog park with funding from the NSW Government's Stronger Communities Fund – Major Projects Program. The park will receive new fencing, a double gate system, solar bollard lighting, dog agility equipment, a concrete walking track, bubbler, and new turf. Construction is under way and will be finalised by the end of December.

Epping

Terrys Creek Walk upgrades, Epping

Council has undertaken \$465,000 in upgrades to improve the amenity, safety and ecological health of the Terrys Creek bushland and walking track. Work was completed in September.

The creek, which stretches from Somerville Park in Eastwood to Lane Cove National Park, is an important ecological corridor. Over the past three years, Council has undertaken extensive bush regeneration, revegetation and track construction works in this area.

Rockleigh Reserve, Epping

The much-loved Rockleigh Reserve has undergone maintenance improvement work, including the replacement of old seats, fresh paint, paving repairs, the installation of a new bin and fence, and additional planting.

Masonic Hall, Epping

The former Masonic Hall at 49 Rawson Street in Epping is currently undergoing interior works to make the building fit and safe for public use. There will be two rooms available for hire upon approval of the Development Application for Change of Use. The function room will be open for hire following further refurbishment, likely in mid-2020.

Dundas

Buller Street improvements, North Parramatta

The well-loved shopping hub near Doyle Ground recently underwent a \$350,000 upgrade, with the works completed in November. The project included footpath widening to accommodate outdoor dining, shade tree planting, new landscaping, and traffic mitigation elements.

'This is Telopea' at Waratah Shops

Building on the work of Small Shift, the winner of Council's "Pitch for Good" live crowdfunding event, community members and Council officers organised a mural painting event to 'brighten up the space' at the Waratah Shops in Telopea. The artwork was designed by Auntie Kerrie Kenton and is complemented by \$25,000 worth of small upgrades provided by Council. The project was implemented in November.

Oatlands Connecting Centres

Following the footpath installation on three roads in Oatlands, 55 trees are being planted to provide a pleasant pedestrian connection between local shopping centres as part of a \$96,000 project. Trees play an important role in our city by providing relief from summer heat, reducing pavement glare, increasing the value of real estate, reducing stormwater runoff, and improving air quality.

Parramatta

Constitution Hill shops

Construction of the \$130,000 upgrade was completed in August. Improvements were made to the public domain to increase shade, and provide new bench seating.

Sue Savage Masterplan

Council is working on the design of a new BMX facility and skate park at Sue Savage and Reynolds parks in Toongabbie. Stage 3 consultation occurred in October and feedback is being compiled to inform the final design of the parking area, toilet block and skate park/BMX track. Construction of the parking area and toilet block will commence in early 2020.

Rosehill

North Granville Community Facilities Masterplan

Council has received funding from the NSW Government to improve the recreational and community facilities at FS Garside Park and the adjoining reserve at Duck Creek.

The development of the draft masterplan was informed by community feedback collected in June and July

2019. The masterplan, which was on public exhibition in November, identifies upgrades for the playground at Gray Street, FS Garside sports field, Onslow street carpark, Alfred Street cycleway and the dog park. It also includes new youth recreation facilities and a new multi-purpose community building.

This project is a key deliverable of the NSW Government's Parramatta Road Urban Amenity Improvement Program (PRUAIP).

Rydalmere Park Masterplan

The Rydalmere Park Masterplan encompasses upgrades to three sports fields, as well as the delivery of a new playground area and better accessibility around Rydalmere Park. Stage 1 of the masterplan is currently under construction and includes a synthetic turf field and new lighting.

Pierre de Coubertin playground, Newington

Council is working on a concept plan for an upgraded playground. Stage 2 consultation with park users and the community occurred in October and November. The feedback will inform the final design of the playground. Construction is expected to begin in early 2020.

BANKWEST STADIUM injects millions into local economy

Every event at the new Bankwest Stadium generates about \$1 million for Parramatta's local economy, a Council-commissioned report has revealed. Economic analysis shows visitors attending three sporting events in June and July this year spent an estimated \$2.9 million, helping to boost the City's many restaurants, cafés, hotels and other businesses.

Council unveiled the research on the opening night of Parramatta Lanes at the Parramatta Chamber of Commerce Business After Five event, hosted by City of Parramatta on Tuesday 15 October.

The world-class Bankwest Stadium has attracted more than 500,000 patrons to ticketed events since opening in April 2019. It's the home of legendary sporting clubs the Parramatta Eels and Western Sydney Wanderers, and will host some of the world's biggest entertainers, such as Elton John.

To read the report, Bankwest Stadium – Bolstering the local economy, visit investparramatta.com.au

FREE waste services

Did you know that Council offers free collection of some problem waste items directly from your home? Items such as gas bottles, light globes, fire extinguishers, television sets and paints can all be collected. For more details, or to make a booking, visit problemwaste.com.au or call **9806 5544**.

Council also offers four free clean-ups per year for bulky waste to households who have a Council residential garbage service. Book a collection at cityofparramatta.nsw.gov.au/waste

Recycling tips for the festive season

With everyone's calendars filling up over the festive season, our recycling bins can also get fuller (sometimes overflowing). Check out these simple tips to keep your recycling bins in order and our planet happy:

1. Put aside all the clean recyclables (such as cardboard) for the next scheduled recycling collection if they cannot fit into the recycling bin for the upcoming collection.
2. Sort out the Container Deposit Scheme-eligible recyclable containers for refund and donate the proceeds to local community group or schools. Check out locations for refunds at returnandearn.com.au
3. BYO shopping bags whenever possible.

Left to right: Cr Phil Bradley, Lord Mayor Cr Bob Dwyer, The Walking Volunteers Inc President Ian Napier, and The Hon Rob Stokes MP.

New 65km Great West Walk track kicks off in Parramatta

A new 65km walking trail linking Parramatta to the Blue Mountains was launched in Parramatta Park in October.

The Great West Walk is a community-led initiative by The Walking Volunteers, who previously helped develop a number of other great Sydney walks.

As part of the project, City of Parramatta Council has delivered a new 1.2km walking track that runs along Toongabbie Creek between

Old Windsor Road to Tucks Road, Seven Hills. The \$65,000 Toongabbie Crossing has been jointly funded by City of Parramatta Council and the NSW Government's Metropolitan Greenspace Program.

The full Great West Walk track will allow walkers to explore lands of the Darug, Gundungurra and Wiradjuri people.

For more information visit greatwestwalk.com.au

Next up at Riverside Theatres...

SYDNEY FESTIVAL HITS PARRAMATTA IN JANUARY

This January, Parramatta plays host to major theatre and music events as part of the 2020 Sydney Festival.

True West

11 January – 18 January,
Riverside Theatres

True West is a season of independent theatre celebrating contemporary voices and stories from Sydney's west. Hear readings of new theatre work, attend talks and workshops with artists, and see the world premiere of a new staging of *Lady Tabouli* – an unflinching and funny-until-it's not examination of culture clash in modern Australia. There will also be a showing of *宿 (stay)*, a work-in-progress collaboration between Singaporean multi-arts group SAtheCollective and S. Shakhthidharan.

Bran Nue Dae

Riverside Theatres

The world's best-loved Aboriginal stage musical, *Bran Nue Dae*, gets a major revival on its 30th birthday – starring Ernie Dingo. The home-grown music classic by Jimmy Chi and Kuckles is packed with humour, song and hope.

Bran Nue Dae
16 January -
1 February

ENCOUNTER

10 - 12 January, Riverside Theatres

Step into the parklands of Parramatta's Prince Alfred Square for free dance and music performance *ENCOUNTER*, directed by Emma Saunders. A collaboration between 16 young dancers, 46 musicians from the Western Sydney Youth Orchestra and award-winning writer and composers.

Presented by Sydney Festival, commissioned and produced by FORM Dance Projects.

Sydney Symphony Under the Stars

18 January, The Crescent

This Sydney Festival favourite returns to Parramatta Park for a free, family-friendly summer night of renowned classical compositions performed by the Sydney Symphony Orchestra.

See the full program and get tickets at sydneyfestival.org.au.

A YEAR OF INCREDIBLE LIVE EVENTS

Following the Sydney Festival in January, Riverside Theatres - the centrepiece of performance culture in Parramatta - has an extraordinary line-up of live events.

It kicks off in February with a new production of iconic musical *Les Misérables*, followed by *Black Cockatoo* – a story of strength, resistance, hope and possibility, inspired by the true story of Australia's first international

cricket team and the country's first Indigenous sporting hero Johnny Mullaugh.

As part of Sydney Gay and Lesbian Mardi Gras, Riverside hosts the Western Sydney edition of *QueerStories* - an event that shares the unexpected tales of lives well lived, battles fought and pride, prejudice, love and humour.
