

Parramatta Square Station Retail Link Now Open

The Parramatta Square retail link between Parramatta Station and the new public space is now open to pedestrians.

- Pedestrians can now travel undercover via the retail link from Parramatta Station to Parramatta Square and the public space.
 - A variety of retailers and dining experiences along the retail link will be open soon.
 - Access to 4 Parramatta Square tower lobby from the retail link is via stairs on the eastern Sydney Water side.
 - Pedestrians travelling to Macquarie Street from the public space can access the walkway between 3 Parramatta Square and Western Sydney University.
 - Pedestrians travelling to Smith Street from the public space can access the walkway between Sydney Water and Western Sydney University.
 - Pedestrian access to Church Street will continue to be via Darcy Street while construction works continue within Parramatta Square.
 - Lift access from street level to the retail link is available from Darcy Street (West Concourse) and from the rear of Sydney Water.
- Walker Corporation and the City of Parramatta thank you for your cooperation during this time of change.**

Please remember to recycle.
