

CHILDREN'S VIDEO COMPETITION

To celebrate **Plastic Free July**, City of Parramatta and its waste and recycling contractor SUEZ are inviting you and your family to join the conversation on soft plastics like plastic bags and snack wrappers.

Soft plastics are often found as litter in our local waterways or as contamination in the yellow-lidded recycling bins.

We want to hear how you and your family could help with this problem by reducing and reusing soft plastics or recycling them via the correct channel. Show us in a short video (less than 1 minute) for your chance to win some fantastic prizes!

How to enter the competition?

To enter the competition, the entrant's parent or legal guardian must submit a short video (less than 1 minute) with the entrant's name, age, class, class teacher name and school name by **private message to the City of Parramatta Facebook, Instagram or Twitter** pages between 1 July 2020 and 25 September 2020.

HOT TIP

Do a scrunch test!
Scrunch your plastic
and if the item can be
scrunched into a ball,
it is a soft plastic.
