The City of Parramatta Australia Day Awards recognise the outstanding achievement and excellence of local community members and highlight the importance of service to the Australian nation.

This year has presented many challenges, so it is more important than ever to recognise, celebrate, and honour the local heroes who have gone above and beyond to support our City and community.

You are invited to nominate a member of the local community whose exemplary contribution is deserving of recognition. This could be a friend, family member, workmate or someone you know who serves the community.

There are various reasons to nominate someone for an award in this year's age-based categories, including achievements in: education, sports, arts and culture, volunteering, leadership, health and welfare, offering acts of kindness, or someone who has made major contributions within the Parramatta Local Government Area.
