FUTURE ARTISTS' CLUB

at Home

6 - 8 OCTOBER 2020

Creating, making and play for young artists and families

This year Future Artists' Club is coming to you with our new **Future Artists' Club at Home** program. Across three days we will release a series of free online workshops and activities created for you by our Parramatta Artists' Studios (PAS) artists. Be inspired to collect materials around your house, in your backyard or on a walk to the local park to create drawings, sculptures, recipes, maps and more. These workshops take the form of video, audio and written instructions you can access online.

In addition to our free online workshops, PAS artist Cindy Yuen-Zhe Chen will lead 3 paid book-in Zoom workshops over 7 and 8 October. Book-in now and we will send you an art pack to follow along at home.

Share your creations with us via studios@cityofparramatta.nsw.gov.au or use the hashtag **#FACatHome**

Future Artists' Club at Home is recommended for children aged 5 to 12 years and their families.

Secure your tickets before 23 September for the paid book-in Zoom workshops, spaces are limited.
