Message to the Community

Welcome to the newsletter for North Rocks Ward.

This newsletter will tell you more about our new projects.

The projects make sure that our community has great places to do sports, relax and meet people.

John Wearn Reserve Movie Night

We finished work at John Wearn Reserve.
We had a movie night to celebrate.
We showed the movie The Lion King.

The movie night was COVID safe.

John Wearn Reserve now has a new playground,
toilets and a car park.

It also has a dog park, barbecues and a stage.

The project cost \$5.2 million to build.

Artist drawing of Peggy Womersley plans

Peggy Womersley Building

We finished the plans for the new building at Peggy Womersley Reserve.

It will be used for rugby union and athletics.

The new building will have 2 storeys.

It will have

- Change rooms
- Storage for the club to use
- A place to buy food
- Public toilets
- A community room

There will also be an area where you can sit and watch the sport.

The project cost \$2.3 million to build.

Alkira and North Rocks Traffic Light Upgrade

We started to put in traffic lights at the crossing of Alkira Road and North Rocks Road.

Work started in April 2021.

We want to make the crossing safer.

The road will be wider.

We will put in a new lane to turn right.

Some of the work is finished.

All the work should be finished by the end of September 2021.

Max Ruddock Reserve

We made Max Ruddock Reserve better.

There is a new playground, an outdoor gym and a fence to stop balls.

We also made the toilet blocks better.

The project cost \$750 thousand to build.

Reserve Playground

Hunts Creek Bridge and Walking Track

Northern Drive Reserve is getting a new bridge and walking track.

Work will start in the middle of 2021.

Junction Road Carpark

Council is building 100 car park spaces at Junction Road.

The car park is for Commuters. Commuters are people that travel to work.

We want people to park their car and take the bus to work.

The new carpark will be near Winston Hills bus stop on the M2 Motorway.

City of Parramatta Council will work on this project with the Hills Shire Council and Transport for NSW. **TfNSW** for short.

TfNSW will pay \$2.5million to put in

- A new kerb and footpath
- A pavement
- Gardens
- Car park spaces

The council is asking people what they think about these changes.

Lord Mayor councillor Bob
Dwyer and councillor Andrew
Jefferies at Alkira Road

Woodstock Shops and Douglass Road Playground

We made Woodstock Road Shops and Douglass Avenue Reserve Playground better.

Woodstock Road shops now have more plants and trees.

There are more places to sit, better paths and a street library.

The new playground at Douglass Avenue Reserve will open at the end of July 2021.

Lord Mayor councillor Bob Dwyer and councillor Andrew Jefferies at Woodstock shops

Perry Street Carpark

The Government and TfNSW will work together to build 135 car park spaces.

The car park spaces will be for commuters. Commuters are people that travel to work.

They can then park their car and take the bus to work instead.

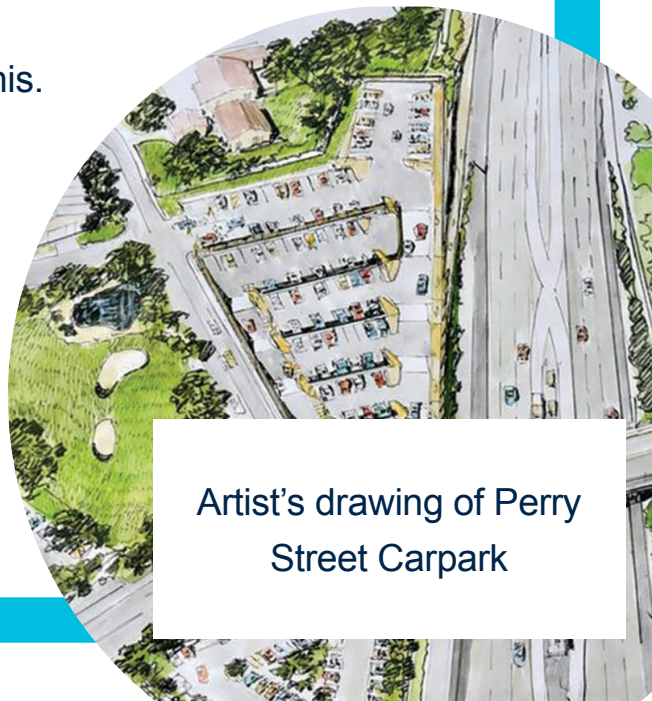

We will have less cars on the road if people do this.

We will talk to the community about the plan.

We want to hear what you think.

Work will start in the middle of 2021.

Work should be finished by the middle of 2022.

Artist's drawing of Perry Street Carpark

Lomond Centre Shops

We will make the public area around the Lomond Centre better. This will start in July 2021.

We will make it easier to get to the shops.

We will make the garden beds better.

Lord Mayor councillor
Bob Dwyer and Cr Andrew
Jefferies at Lomond Centre

Melbourne Road Reserve

Council is making the playground at Melbourne Road Reserve in Winston Hills better.

There will be some new play equipment and places to sit.

We will make the playground safer.

Work should finish by the end June 2021.
