# Rosehill Ward Update

**Plain English**

## Message to the Community

Welcome to this newsletter for Rosehill Ward.

This newsletter will tell you more about our new projects.

The projects make sure that our community has great places to do sports, relax and meet people.

## Granville Square

We want to make a new Granville Square near Granville Train Station.

It will take 5 to 10 years to build. We asked the community what they wanted in the square. They said

- Space for a market
- More gardens
- More places to sit
- Toilets
- Outdoor cinema area
- Shade from the sun

Councillors Patricia Provic, Steven Issa and Andrew Wilson at the place where Granville Square will be.

## Hill Road Plan

We want to make Hill Road safer.

We showed our plan to the community in March and April 2021.

People said they support most of the plan.

We know that cyclists and other people do not feel safe.

It will take 5 years to make all the changes.

We want to make some safety changes now.

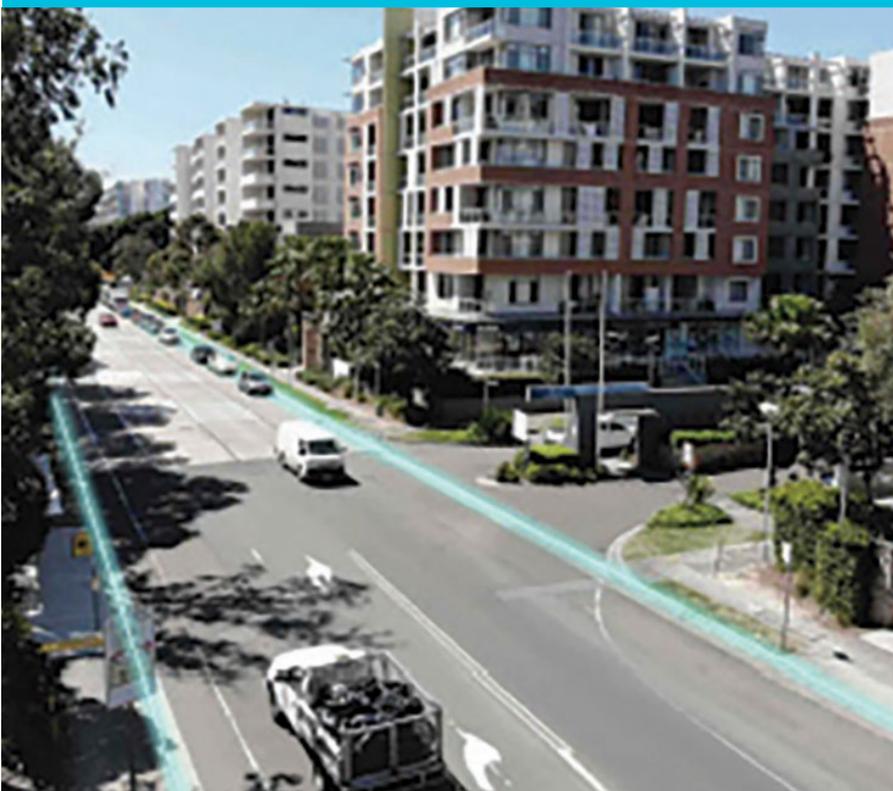

We will make the pavement wider on Hill Street.

At Stromboli Street and Bayswater Drive we will

- Make the pavement wider.
- Put a safe place in the middle of the road for crossing.

We will make Nuvolari Place better for people with disability.

We will also paint the lines on the road to make them brighter.

Part of Hill Road Plan

Councillors Steven Issa, Patricia Prociv and Andrew Wilson at Brodie Street art wall

## Brodie Street Plan

We will make the Brodie Street shopping area in Rydalmere better.

We want to

- Make the path wider for people, bikes and other activities.
- Make the area safer
- Help local shops make more money
- Have new seats on the street
- Have more trees and garden areas

The project will cost \$670 thousand dollars.

We asked local artist to paint on a building.

The artist is Clare Foxton.

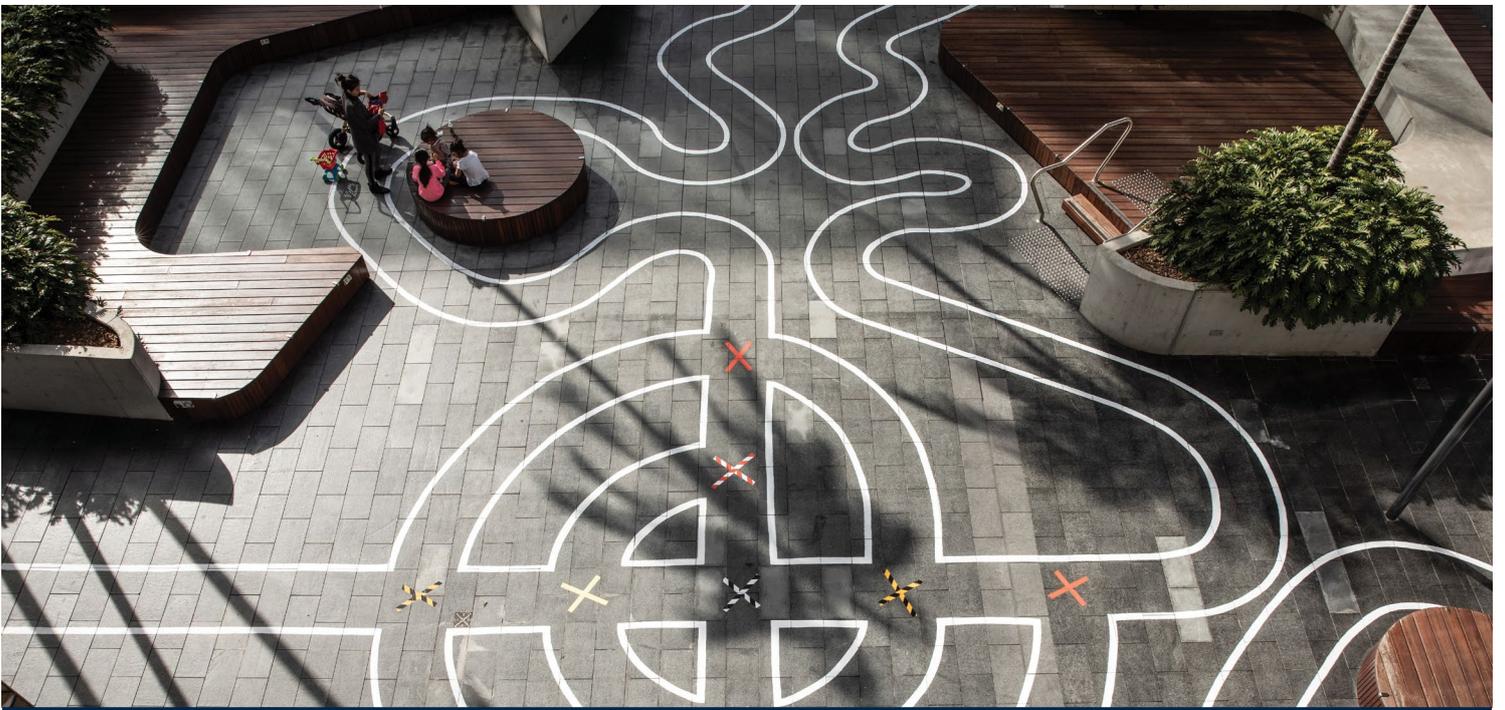

It is a picture of Australian birds.

People will see the painting when they are on the light rail train.

## Art in Rosehill

Last year we asked artist Nadia Odlum to do art on the footpath in Rosehill.

The art was called “I’ll meet you here again”.

The art stayed up for a short time.

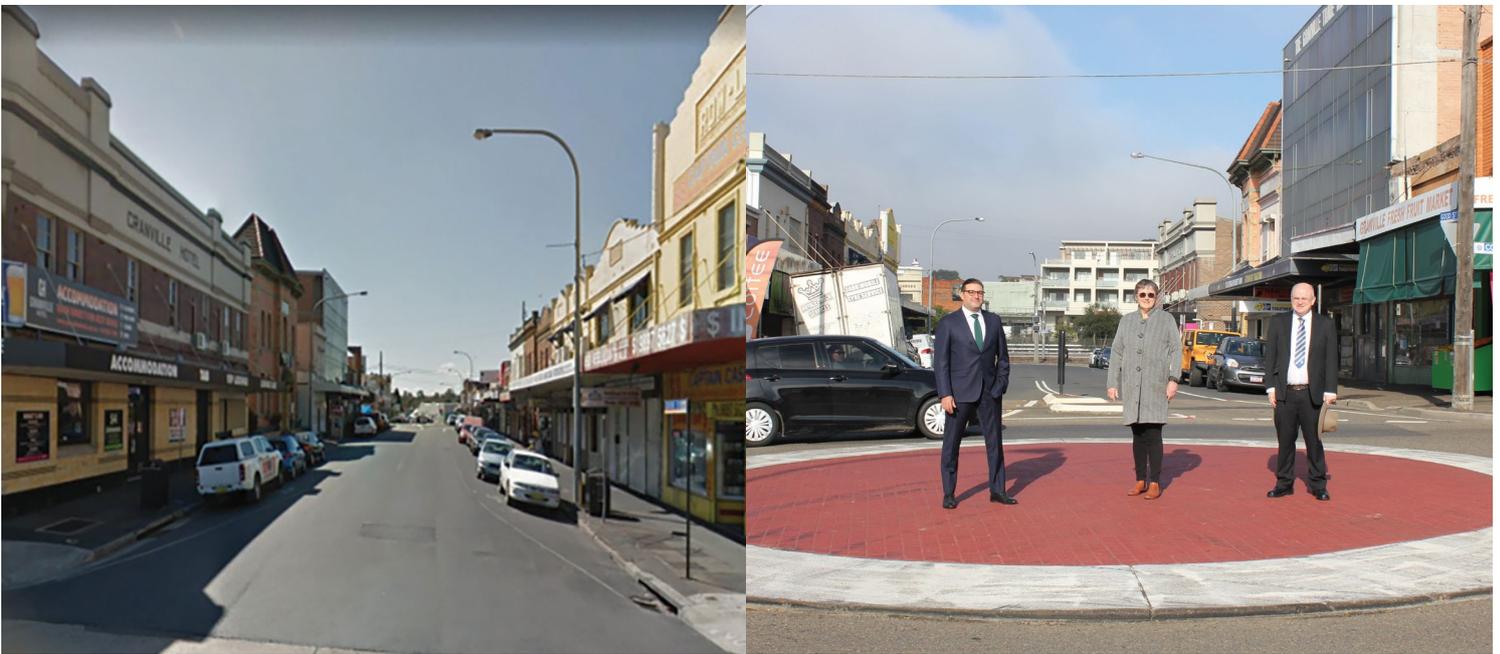

Nadia made new art for Sydney Olympic Park in March 2021.

Children could roll balls into the coloured pipes.

The art was part of a program to make public areas nice.

Art in Rosehill

Councillors Steven Issa, Patricia Prociv and Andrew Wilson at Good and Bridge Street.

## Good and Bridge Street

The work to make Good Street and Bridge Street in Granville better will start soon.

We want people to feel safe and relaxed when they sit and eat outside.

We will put in

- New pavement
- Street furniture like benches
- New smart bins
- Water sprays for hot days
- Trees for shade

We will change some roads.

This will change the traffic so it is a better area for local people.

For more information go to

## Fun Day at Pierre De Coubertin Park

There is a family fun day on Saturday 17 July at Pierre De Coubertin Park, in Newington.

We want to celebrate the new playground.

There will be music, food, and things to do.

The playground now has

- Shade areas
- Soft floor under the play equipment
- New play things
- A fence

This playground cost \$400 thousand to build.

For more Information go to

A drawing of the bike path

## Alfred Street bike path

We will build a bike path on Alfred Street.

We want people to stay healthy and walk or ride a bike.

It will be safer because bikes will not ride on the road with cars.

Alfred Street will have a bike path to Parramatta CBD.

We will also have

- Trees
- New pavements
- Signs
- Lights
- Places to rest

Work should start on Eleanor Street to Gray Street in June or July 2021.

## Newington Reserve Work

We are making Newington Reserve in Silverwater better.

It will have

- A new big football field with fake grass
- Lights
- A small football field with fake grass
- Seats
- Barbecues
- Areas to exercise
- Gardens and trees
- A new building

We also hope there will be new car park spaces.

We talked to the community about the plans.

Most people liked the plan.

# Ermington Laneway

We want to make the shopping at Betty Cuthbert better.

We have started to design the project.

We want more people to go the shops here.

We want people to sit and enjoy the area.

We will have

- Art on the footpaths
- Lighting
- Furniture
- Plants and flowers

Drawing of changes to Ermington Laneway

# Rydalmere Park Plan

We are making Rydalmere Park better.

We finished work on the north sports field in May 2020.

We made the field bigger to play football and soccer.

We built a warm-up area and put down fake grass.

We put up new lights, fences and seats.

In November 2021 we will start on part 2 of the plan.

Stage 2 will cost \$6.9 million.

The 2 fields on the south end will have new grass.

We will also make the cricket area better.

We will have new trees, tables and paths.

We will change the parking area.

The work should be finished in June 2022.
