Lord Mayor's Message

Welcome to our spring edition of Parramatta Pulse. As the warmer weather approaches, there is much to see and do this season across our City.

PHIVE launch

PHIVE, our iconic new cultural and community hub, will open to everyone for the first time on Friday 23 September! I can't wait for the community to come and experience all it has to offer – a new City branch library, meeting rooms, exhibition and function spaces, Council Chambers and much more. PHIVE is a place for everyone to enjoy, chat, learn and be inspired.

Parramatta Aquatic Centre

Our new Parramatta Aquatic Centre is rapidly taking shape with construction passing the halfway mark. This multifunctional centre will be a place for everyone to exercise, learn to swim or simply have fun with family and friends. It will be a wonderful asset that our entire community can enjoy.

Spring events in our City

I welcome family and friends to celebrate the many events we have planned throughout spring. We have a free outdoor movie series, Spot On Children's Festival at Riverside Theatres, Harris Park and River foreshore light installations to celebrate Diwali, four nights of eats, beats and art at Parramatta Lanes plus plenty more.

City of Parramatta has been a strong advocate for the inclusion of Wistaria Gardens in Parramatta Park, I encourage you to visit this gorgeous spot to admire the spring flowers, especially the cherry blossoms and wisterias.

Lord Mayor
Councillor Donna Davis

PHIVE is opening - 23 September!

Our City is set to become even more vibrant and exciting with the opening of PHIVE at 5 Parramatta Square. Whether you have an hour or an entire day free to explore PHIVE, you'll discover a whole host of unique experiences to entertain and inspire you — it's time to step inside.

At the heart of PHIVE is our state-of-the-art library, original artworks that delve into our City's proud history, Council services, study and meeting spaces, and an exciting line-up of cultural displays and events.

To celebrate the opening, we have a range of fantastic activities for you to enjoy. Join an art or architecture-inspired tour, an intergenerational portrait workshop, pick up some K-pop moves or illustrate your very own comic book. Family friendly performances, hands-on craft activities, interactive digital displays and roaming entertainers will all add to the fun throughout the opening weekend.

You are also invited to enjoy PHIVE's great line-up of daily, year-round experiences. Take a wander through the library overlooking Parramatta Square; bring your children (or grandchildren!) along to daily Story Time; meet up with friends or colleagues at PHIVE; view the digital and contemporary artworks; or delve into your family history in the dedicated Local Studies Research Library.

Love good design? Come and explore PHIVE's breathtaking architecture and discover why it's got architects buzzing all over the world. See how the use of voids, linking stairs and transparent materials have been combined to create an open, welcoming and expressive building, and marvel at how the tessellated façade panels provide peeks at the contemporary and heritage-listed buildings that surround PHIVE.

Complete your day of fun with a walk through Parramatta Square. Here, you can search for the cultural and colonial interpretations that celebrate Parramatta's rich Dharug history and admire the impressive, large-scale public artworks that reveal stories inspired by our environment, our local people and our proud sporting history.

From day to night, PHIVE is a vibrant and welcoming place for locals and visitors to enjoy.

There is a space for everyone.

Parramatta Light Rail update

Our City is one step closer to enjoying world-class light rail transport, with the next phase of work underway to construct 16 stops for the Parramatta Light Rail.

Starting at the future Church Street light rail stop in the heart of Parramatta's CBD, two six-tonne, 23-metre-long canopies were crane-lifted into place over two nights in a significant milestone for the project and our community. The stops will feature overhead canopies for weather protection, seating, ticketing machines, Opal card readers, emergency help points and information displays. Installation of overhead wiring, underground cabling and power substations will follow.

Following extensive community consultation, the light rail stops have officially been named. The chosen stop names reflect our City's rich culture, with 'Ngara' and 'Yallamundi' recognising the strong connection between those areas and the land's Traditional Owners.

For more information, visit:
www.parramattalightrail.nsw.gov.au

Get ready to make a splash!

Our new \$88.6 million state-of-the-art aquatic and leisure facility is progressing past the halfway mark, with the final concrete having just been poured and over 100 workers on-site daily, getting the pool ready to open mid next year.

Officially known as Parramatta Aquatic Centre, this fantastic facility will be a social and wellbeing hub for everyone in our growing community to enjoy. There will be places for people of all abilities to swim, a top-notch health and wellness centre, an indoor water playground, community spaces, a café, a crèche, plus a wide range of exercise programs for fitness and recreation.

We'll soon be on the lookout for people to join the centre's team of experienced swim teachers, fitness coaches, lifeguards and customer representatives, so stay tuned!

We look forward to sharing more updates through Council's website and social media pages as we get closer to the official opening.

Upgrades in your area

PARRAMATTA WARD

Backhousia Reserve Walking Track

The Great West Walk spans across 65km from Parramatta to the start of the Blue Mountains. This incredible walking route winds through public parklands and bush corridors, allowing you to take in views of local creeks and the protected Cumberland Plain Woodland along the way.

Council has recently upgraded sections of the walking track to encourage the community to pull on their walking shoes and get out there and enjoy our magnificent local bushland, flora and fauna.

To learn more, visit: wsroc.com.au/projects/the-great-west-walk

Arthur Phillip Park

Kids and families in Northmead, Westmead and Parramatta North will soon be able to enjoy new and improved playground facilities at Arthur Phillip Park. This popular playground will be updated to a district-level facility, with a range of great, new play experiences suited to different age groups and physical abilities. Accessibility will be addressed with provision of improved accessible car parking. Safety will also be improved with the installation of solar lights around the perimeter of the site, without disruption to the playing fields.

Construction is expected to start in September 2022.

You can learn more at: participate.cityofparramatta.nsw.gov.au/arthur-phillip-masterplan

Community Garden at Karabi

Wentworthville residents have been hard at work getting the Karabi Community Garden up and running. With the assistance of the team at Sydney Botanic Gardens, the garden is flourishing with two raised garden beds (and a third due to be installed in September), a variety of fruits and vegetables, plus a worm farm. The garden will be used to support school holiday programs and community capacity building programs.

Learn more at: karabi.org.au

DUNDAS WARD

Sturt Park

Council's exciting revamp of Sturt Park is now complete! The upgrades, which have been funded by the NSW Government's Precinct Support Scheme, including new playground, sporting field posts, amenities block, shade tree planting and much more.

You can learn more at: participate.cityofparramatta.nsw.gov.au/sturt-and-acacia-park/sturt-park

Jenkins Street Reserve

Council's extensive revamp of the Jenkins Street Reserve Playground is now complete, and open to the public. The new and improved playground now caters to both pre-schoolers (aged zero to five years) and juniors (aged six to 12), and includes elements to encourage natural, sensory and imaginative play.

For more information, visit: participate.cityofparramatta.nsw.gov.au/jenkins-street-reserve

Don Moore Reserve

Don Moore Reserve will be getting some fantastic improvements later this year, after a second round of community consultation closed in late July. The \$385,000 project is part of Council's Better Neighbourhood Program and North Rocks Ward Initiative budget, and will include new seats and bins, new signage for the reserve and dog off-leash area, along with proposed tree and garden plantings, an accessible ramp to the meeting room and much more.

You can stay up to date on this fabulous project here: participate.cityofparramatta.nsw.gov.au/don-moore-reserve

Wentworth Point Place Plan

For the past few months, Council has been engaging with the Wentworth Point community to establish an exciting vision for the area and to set objectives and actions to ensure it is a liveable, sustainable and thriving suburb into the future.

We conducted three People's Panels to gather input for a Wentworth Point Place Plan. During these sessions, 17 independently recruited community members went on a journey of collective visioning to establish community values, develop a shared vision and prioritise actions for delivery in the area, which informed the development of the Wentworth Point Place Plan.

For more on the Place Plan and to stay up to date with this project, visit: participate.cityofparramatta.nsw.gov.au/wentworth-point

Chisholm Centre amenities block

The Chisholm Centre toilets are now open. The toilets are in the final stages of centre improvements following the 2020 upgrade. Council sought \$250,000 funding through the Better Neighbourhood Program so the final stage of the

upgrade could be achieved. Council would like to thank the community and businesses for their feedback and ongoing support during these upgrades.

To stay up to date on this project, visit: participate.cityofparramatta.nsw.gov.au/Chisholm-centre

Good and Bridge Streets upgrade, Granville

Good Street and Bridge Street are getting a facelift! The \$8.5 million upgrade is part of the NSW State Government's Parramatta Road Urban Amenity Improvement Program (PRUAIP). The streetscape overhaul will include heritage-themed street furniture and cobblestone pavements, and the latest 'smart' street-design elements. There will be some significant traffic changes, including making Good Street one-way south bound between Cowper and Bridge Streets. Construction is anticipated to be completed September 2022 (weather permitting).

To find out more about these upgrades and to see traffic changes, visit: participate.cityofparramatta.nsw.gov.au/good-and-bridge-streets

Alfred Street cycleway, Granville

Council has recently completed a cycleway between Eleanor Street and Gray Street, and Gray Street and the M4 underpass. This upgrade includes tree planting along the route to provide cyclists and pedestrians with shade cover along their journey.

Alfred Street in Harris Park is identified as a priority cycling route in Transport for NSW's Principal Bicycle Network and in the endorsed City of Parramatta Bike Plan. Upgrades along Alfred Street are scheduled to be delivered in multiple stages.

To learn more about the Alfred Street upgrade, visit: participate.cityofparramatta.nsw.gov.au/Alfred-street

Greening our City

Council has planted around 100 trees in streets and parks across the Epping Ward as part of our commitment to green our City, reduce urban heat, and provide crucial habitat and food for small fauna. This includes new trees in the small pocket park opposite Kim Rutherford Reserve on Wyralla Avenue. We've also added new paths, seating and fencing to create a delightful and safe space for residents to relax and play.

How are we doing?

It's time for our annual Community Satisfaction Survey! If you are a resident or business owner in the City of Parramatta, let us know how you think we're performing. Simply scan the QR code to complete the survey by midnight Sunday 16 October. It should take around 10-15 minutes to complete. Your responses will help us set our priorities for the next year.

Bat Lake

13-15 October

Discover the dark, secret and theatrical world of bats in *Bat Lake*, a dance work by Eliza Cooper that celebrates these mystical creatures. From pollination to echolocation, this work exposes the nocturnal escapades bats usually keep hidden in the shadows. *Bat Lake* transforms the performance space as elegant beasts glide across a twilight stage, revealing the raw beauty behind these misunderstood creatures and bringing their complex characters to life. Presented by FORM Dance Projects and Riverside Theatres as part of Dance Bites 2022.

A Practical Guide to Self-Defence

20-29 October

Get a unique perspective on growing up Asian in '80s Australia in this witty mash-up of martial arts, storytelling and digital animation.

Written as an instructional guide, playwright Hung-Yen Yang (Yen) examines the tension between good and evil that exists within us all via self-deprecating comedy and slapstick humour.

This deeply personal tale explores how everyday racism over the decades shapes decisions, both good and bad.

Chalkface

3-5 November

Played by award-winning actress Catherine McClements, Pat is a jaded primary school teacher who isn't afraid to voice her opinions: all kids are terrorists, the school's a zoo and her colleagues are nitwits. Enter Anna, played by Stephanie Somerville, who is bright-eyed, idealistic and fresh out of university. Anna's going to change the world, one gold star at a time.

As you might suspect, these two don't see eye to eye. This hilarious new black comedy by Angela Betzien gives you a sneak peek inside one of society's biggest mysteries: the teachers' staff room.

Greening our City

Trees keep our streets cool, the air cleaner, make our neighbourhoods more liveable and enjoyable, and have been linked to better health and social outcomes for our community.

This year, the Greening Parramatta project saw neighbourhoods welcome more than 2,600 trees, while the Parramatta Light Rail planting project added 125 trees to our parks and reserves, with another 2,400 scheduled for the next two years. The CBD Greening project will soon deliver 20 glorious, statement trees to our City centre.

Parramatta's two Greening projects were jointly funded by Council and the NSW Government's Greening Our Cities program. The City has also secured more funding for greening projects over the next year.

Under the Greening Neighbourhoods program, Council will undertake detailed canopy studies to help us plan for more trees. Weed clearing, bush regeneration and planting will continue along Toongabbie Creek and the Great

West Walk as part of the Greening Great West Walk initiative.
