Delivery Program 2022-26

Year 2

Operational Plan & Budget 2023/24

Delivery Program 2022-26, Operational Plan & Budget 2023/24

We respectfully acknowledge the Traditional Owners and custodians of the land and waters of Parramatta, the Dharug peoples.

Nunanglanungdyu baramada gulbanga mawa naa Baramadagal dharug ngurrawa badura baramada dharug yura

Recognition of the Dharug peoples

City of Parramatta recognises the Dharug Nation as traditional owners, part of the oldest continuous living cultures in the world.

Since the dawn of time, Parramatta has been home to the Dharug peoples, the traditional custodians of the land we call the City of Parramatta today. The Dharug peoples cared for and nurtured the habitat, land, and waters for thousands of generations, and maintain an ongoing connection to Parramatta and its surrounding areas.

With the challenges we all have faced over the last 3 years locally and globally we can learn from the resilience and community spirit of First Nations to ensure a sustainable City for all. Parramatta has always been an important meeting place for First Nations, particularly the Parramatta River, which has provided life and vitality since the beginning of time (The Dreaming).

The name Parramatta is a derivation of the word Burramatta or "place where the eels lie down" (breeding location for eels within the Parramatta River). Parramatta Square has also always been a meeting place for Dharug clans, for other First Nations peoples and for the waves of migrants who have come to call Parramatta home.

City of Parramatta recognises the significance of this area for all First Nations peoples as a site of early contact between Indigenous Australians and European colonists, and Parramatta remains an important meeting place for Indigenous Australians.

First Nations peoples continue to play a vital role in the ecological, economic, and social and cultural life of Parramatta, while maintaining a distinct culture built on the principles of Caring for Country, the primacy of kinship relationships, and the dignity and authority of Elders. At City of Parramatta, we imagine a future where the cultures, histories and rights of all First Nations are understood, recognised, and respected by all Australians.

The City of Parramatta is committed to playing an active role in making this future a reality. Since the implementation of Council's Stretch Reconciliation Action Plan (RAP) we have continued our support of the Dharug and broader First Nations community.

Over 2020-2023 Council embarked on a journey to develop a First Nations Strategy, which will have strong principles of recognition, social justice and accountability.

Message from the Lord Mayor

On behalf of City of Parramatta, I am pleased to present our Delivery Program 2022-26, and the Operational Plan and Budget 2023/24.

The Delivery Program and Operational Plan (the Plan) is our four-year commitment to supporting the people, communities, businesses and services that make up the City of Parramatta. The Plan details how the City of Parramatta will commit and prioritise funds and resources to meet the Council's six core strategic goals as set out in our Community Strategic Plan:

- Fair
- Accessible
- Welcoming
- Green
- Thriving
- Innovative

These goals, and how they auide our actions are detailed on pages 36-49 of this Plan. To support our City's growth, Council has budgeted more than \$614 million in operating and capital expenditures in the 2023/24 financial year, and a capital works program worth \$472 million over the next three years. This strong program of capital works improvements includes improved traffic management, the revitalisation of local roads, parks, centres, as well as sports and community facilities.

City of Parramatta is also delivering City shaping developments like the Parramatta Aquatic Centre (PAC). Opening Spring 2023, the PAC will be a year-round destination for swimming, fitness and wellness, catering to the families, schools, workers, and visitors to Parramatta.

Sustainably designed with stateof-the-art features, the PAC offers a safe and welcoming environment for people of all ages, abilities, and interests.

We want the City of Parramatta to be a place where everyone feels welcome and benefits from our new public spaces and places. The health, wellbeing and resilience of our residents is a key priority. We are delivering on this through our Open Space and Recreation Plan, by delivering our community recycling facility and cycleways program, our commitment to improving and increasing our green spaces plus walkability across our Local Government Area (LGA).

Council's continued commitment to the delivery of our core services while leading, supporting and building the capacity of our valuable

community sector will also enable people to grow and contribute to our City.

Over the next three years, we're committed to transparent planning and improvements, ensuring sustainable growth and good urban design as we see continued transformation across our LGA.

Council will also continue to review our strategic focus to ensure we address emerging issues and support Parramatta's growth. Priorities in this term of Council include our Tree Canopy Plan, First Nations Strategy, **Environmental Sustainability** Strategy and Cultural Strategy.

Investment in the artistic and cultural life of our City also features heavily in this Plan. This includes the redevelopment of Riverside Theatres and continued investment in major

events, as part of our vision to cement Parramatta as the premier arts and culture destination outside of the Sydney CBD.

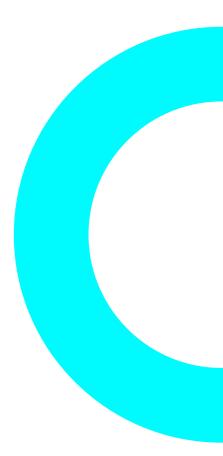

I encourage you to read the Plan to learn more about the measurable steps we will be taking to deliver these projects.

I look forward to working with our community to ensure the City of Parramatta continues to flourish and evolve - celebrating our achievements as we become a more sustainable, liveable and productive City for present and future generations.

Councillor Sameer Pandey Lord Mayor

Delivery Program 2022-26, Operational Plan & Budget 2023/24

Part 1 Introduction

1.5 **Key capital projects**

The following outlines a selection of key capital projects Council will be working on between July 2023 and June 2024.

1 Max Ruddock Reserve Amenities

Installation of a new amenities block.

Target date: December 2025

2 Places To Swim

Improvements to Lake Parramatta swimming area.

Target date: December 2023

(3) Norwest T-Way Shared Path

Re-alignment of the T-Way Cycleway to be shorter, safer and better connected.

Target date: December 2023

4 Parramatta Aquatic Centre

Deliver Parramatta Aquatic Centre business readiness planning, facility opening and operation. Target date: September 2023

(5) Parramatta Town Hall

Deliver 7 Parramatta Square.

Target date: January 2024

6 Doyle Ground Sports Facility Improvements

Transform Doyle Ground into a high-quality district sporting complex that accommodates multi-sport activities.

Target date: December 2026

(7) Rydalmere Park Master Plan

Design and construction of natural turf fields 1 and 2.

Target date: December 2023

8 Alfred Street Cycleway Stage Two

Pedestrian and cyclist upgrade along Alfred Street between Eleanor Street and George Street.

Target date: December 2023

(9) Parramatta Artists' Studios (PAS) Relocation

Relocation of the PAS studios to Granville

Target date: October 2023

(10) PRIAP - FS Garside

Upgrade and remediate F.S Garside Park to include recreation, district playaround, upgraded sportsfield, dogpark and reconfigured car parking.

Target date: December 2023

Delivery Program 2022-26, Operational Plan & Budget 2023/24

George Street East Cycleway

New pedestrian and cyclist path on the southern bank of the Parramatta River between Alfred Street and the CBD.

Target date: December 2023

(12) Ermington Foreshore Stage 3

Stage 3 of separated walking and cycling paths along the river near Rydalmere Wharf.

Target date: December 2023

13 Drainage Construction At Lyndelle Place

Construction of bank stabilisation works to mitigate creek erosion.

Target date: June 2024

14 Let's Play at Kilpack

Undertake major upgrades and improvements at Kilpack Park.

Target date: December 2026

(15) West Epping Park Dog Off-Leash Area

Provide a dedicated dog off-leash area.

Target date: June 2024

Hill Road Master Plan – Pedestrian and **Cycle Upgrades**

Streetscape and amenity improvements.

Target date: December 2023

Epping Town Centre: Oxford Street Urban Amenity & Reinvigoration Project

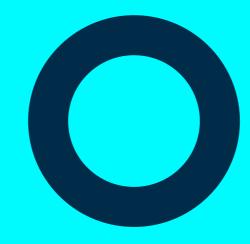

Inject new life and vibrancy into the Epping Town Centre, reinvigorating outdoor dining, open spaces and bringing much needed shady street trees.

Target date: August 2025

(18) Epping Pool Redevelopment

Deliver new Epping Pool. Target date: December 2024

2.1 — Integrated Planning & Reporting 2.2 — How we develop the Plan 2.3 — Community Engagement 2.4 — Reporting on our progress

DELIVERING **OUR PLAN**

2.1 Integrated Planning and Reporting

Under the Local Government Act (Planning & Reporting) 2009 (NSW), councils are required to take a rigorous approach to strategic and financial planning.

The Integrated Planning and Reporting (IP&R) framework is used by Council to connect various strategic plans, enabling closer collaboration between Council, the community, and our partners to achieve a shared vision and committed action.

At the City of Parramatta, integrity is a core value that guides our commitment to careful forward planning for our communities and partners. We uphold the guiding principles of the IP&R framework, designed for local governments to plan for long-term sustainability and report transparently. By bringing together plans and resources, we aim to provide the best possible value to those we serve.

OPERATIONAL PLAN1YEAR

Sets out the details of the Delivery Program the individual projects, activities and budget for the financial year.

> ANNUAL REPORT

Part 2 **Delivering Our Plan**

2.2 How we develop the Plan

The building blocks of this Delivery Program and Operational Plan are the result of a process which involved input from our community, councillors and staff.

COMMUNITY

In late 2021, Council held a 5-week consultation to gather input on our refreshed Community Strategic Plan and new Delivery Program, aiming to gain a deeper understanding of our community's long-term aspirations for our City and identify key priorities for the next four years.

More than 150,000 people were presented with the opportunity to have their say across a variety of channels, including multiple social media campaigns, large scale email distributions and print advertising.

In early 2023, the Plan was refreshed for the 2023/24 financial year. Following a four week public exhibition yielding 27 responses, it was adopted by Council in June 2023.

COUNCILLORS

For the initial development of the Delivery Program 2022–2026, workshops held for Councillors over January–June 2022 set the strategic direction for City of Parramatta Council and confirmed the priorities that informed Council's activities and resource decisions for the four-year Council term.

To update the Plan for 2023/24, Councillors reviewed Council's priorities, deliverables and budgets through a further series of workshops and meetings.

STAFF

Between November 2021 and April 2022, Council's executive and senior leadership teams considered Council's strategic direction, statutory functions, existing commitments, community feedback and financial position to prepare this plan.

To ensure that the Plan remains up-to-date and relevant, a similar engagement process was undertaken between January and April 2023 to review and improve the existing document. This process allowed Council to incorporate any new information or changes to its strategic direction, ensuring that the plan remains effective in meeting the needs of the community.

2.3 **Community Engagement**

2.4 **Reporting on** our progress

Our Community Engagement Strategy guides us on how to best involve the community in decisions that will affect them.

Engagement helps Council maintain strong relationships with our community and partners. Through meaningful, timely consultation, insightful research and regular communication. Council is able to represent and balance local interests.

WHAT YOU'VE **TOLD US SO FAR**

In late 2021, Council ran a 5-week consultation on its refreshed Community Strategic Plan and new Delivery Program, to understand our community's long-term aspirations for our City and the key priorities for the next four years.

The consultation yielded 229 total submissions on the various surveys in the consultation. These included 156 responses on fouryear priorities, which revealed a number of themes that were considered in the development of this Plan.

Four-year community priorities - key themes:

- Investment in green initiatives (tree planting, EV infrastructure, renewables in community infrastructure, increases in tree canopy cover, bush care, the protection of our biodiversity and leadership in sustainability).
- Traffic and transport (congestion, provision, improvement on transport connections, parking, pedestrian crossings, increase safety and public and active transport).
- \bigcirc Community services and facilities (over 55's programs. libraries, public pools, education, events and festivals which stimulate visitation and supporting to living a healthy lifestyle).
- Open green and recreation investment (programs, facilities, parks, pedestrian friendly spaces/networks).
- Affordable and diverse housing/accommodation
- Equal/fairer distribution of funding and facilities across all \bigcirc wards and strong governance

Council is committed to transparency and accountability for the progress made on the Key Projects and KPIs outlined in Parts Three and Four of this Plan.

Regular monitoring and reporting our progress helps us stay on track and make any necessary adjustments, while keeping our community and stakeholders informed and engaged in the process.

Council's reporting will comply with all legislative requirements. We will provide other informal updates through our website and neighbourhood communications.

The Integrated Planning and Reporting Framework (S.404 Local Government Act) requires Council to prepare:

	Quarterly position.
3	Progress Key Proje Plan
3	An Annu Council in informati Statemer
3	A State o impleme Council t

4.1 — How to read this section

4.8 — Supporting Corporate Services

3.1 How to read this section

Understanding our services and projects, and how we will measure success.

This section breaks down Council's key Services and Projects committed for the 2023/24 Financial Year. It includes targets and key performance indicators (KPIs) to track success against these commitments.

Capital Delivery

SERVICE DESCRIPTION

Manages the design and delivery of community and public infrastructure projects including; Core Services include:

- Civil Engineering Design
- Landscape Architecture
- Project Management
- Engineering Survey

COMMUNITY STRATEGIC PLAN

Goals	Strategic Actions
Fair	F.1.1 (F.1.1)
Accessible	A.1.1; A.2.2 (A.2.3)
Welcoming	(W.2.1)
Green	G.1.1 (G.4.1)
Thriving	
Innovative	

Our Service's core business.

Alignment to the Community Strategic Plan Goals. A coloured circle indicates that this Service delivers or supports part of this Goal. The column on the right specifies the targeted Strategic Actions and if the Service plays a Leading OR (Supporting) role.

To monitor performance, our Services use KPIs that measure both service delivery and

Our Service KPIs

both service delivery and service satisfaction. Delivery KPIs measure outputs against set targets, while satisfaction KPIs measure the community's perception of service quality. Our satisfaction KPIs are informed by Council's annual Community Satisfaction Survey (a "Community satisfaction rating") or are collected directly from the users of a service (a "Customer satisfaction rating").

Service Delivery KPI

Percentage of respondents who would consider visiting Parramatta

Service Satisfaction KPI

Community satisfaction rating with the provision of information

How we will measure the performance of this service. Some Services that have a mostly internal role and limited community-facing delivery do not have performance indicators.

 \bigcirc

KEY PROJECTS

Project name and description

Epping Town Centre Undertake open space review and reclassify Epping Town Centre laneways.

Project name and description. While not all projects undertaken by a Service are listed on its page, 'Key Projects' pertain to those that hold significant financial value, represent strategic initiatives, bring about changes in service delivery, or are identified as highly interesting to the community.

Service

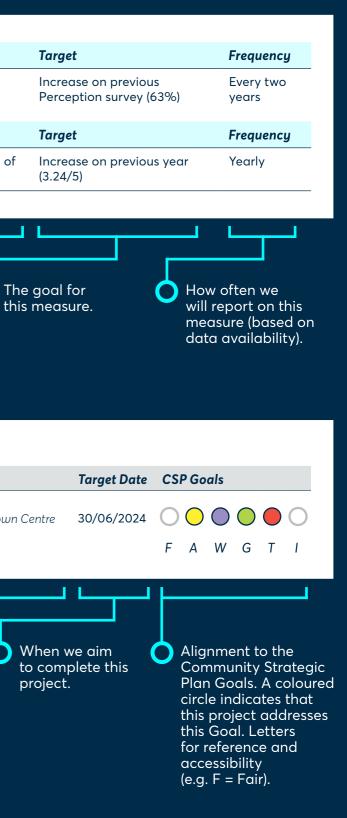

name.

Delivery Program 2022-26, Operational Plan & Budget 2023-24

Our Projects

Projects in this section refer to the one off or time-bound initiatives that each Service will deliver in the next 1-4 years, in addition to the "business as usual" measured by their KPIs.
