Land and Environment Court proceedings - Class 3 Appeal

- 1. Property address: Horwood Place, Parramatta (land)
- 2. **Description:** Acquisition of Council land by Sydney Metro. Council has appealed the amount of compensation the Valuer General has estimated Sydney Metro is to pay Council for the land and relies upon its own valuation to dispute the amount.
- 3. **Issue**: How much compensation Council should be paid by Sydney Metro to Council for the land acquisition. There is a vast difference in each parties' valuations.
- 4. **Status**: The appeal was heard in February 2023 and is reserved for judgment. It is subject to separate advice.
- 5. **Solicitors**: Maddock (Council officer instructing Justin Day)

Definitions:

- A section 34 conciliation conference is presided over by a Commissioner of the Land & Environment Court and explores options for the parties to resolve the appeal or narrow the issues.
- Section 34AA proceedings provides a fast appeal system for a limited range of residential development, which is presided over by a Commissioner of the Land & Environmental Court. If the parties do not reach an agreement onsite, the Commissioner will make a determination.
- A section 56A appeal may be made to a judge against a Commissioner's decision only on a point of law and not the merits of the development.
- PN stands for a Penalty Notice issued by Council officers for a breach of the law and the imposition of a fine.
- Court elected means that the recipient of a PN, choses to elect that the Local Court determine the alleged offence and the amount of fine, if any.

Win/Loss Record for previous and current financial year:

Note: Total case number only relates to those court matters determined by the Court, in that financial year and does not relate the actual number of Land and Environment Court/Local Court matters received, in that financial year.

The Win record includes appeals upheld, as a result of a section 34 conciliated agreement entered into, due to the Applicant amending the application to resolve the issue.
