B	Practical Constraint	The service is a minor part of the overall operation of Council, or the potential for future revenue collection is so minor that it is outweighed by the cost of allocation
C	Shared Benefit	Benefits from providing this service accrue to both individuals and the community as whole (Community Service Obligation).
D	Stimulus	A stimulus to the demand for the service is required. In the short term, only part of the cost of the service is to be recovered.
E	Evasion	Charging prices to recover full cost may result in widespread evasion.
F	Equity	The service is targeted to low income users.
G	Economic/Social/Community Welfare	The service promotes or encourages local economic or social activity.
H	Private Good	The service benefits individual users, contributing to their income, welfare or profits, without any broader benefit to the community.
I	Monopoly	Council has a monopoly over provision of the service and there is no community service or equity obligation.
J	Development	The fee set will enable Council to develop and maintain a service.
K	Contribution	Charges are levied to compensate the community for an increase in the demand for a service or facilities because of a development proposal.
L	Regulatory: Non-Fixed	Fee charges cover the costs incurred by legislative requirements where no community service obligation exists.
M	Regulatory: Fixed	The fee is fixed by legislation.
N	Market	The service provided is in competition with that provided by another council or agency (private or public) and there is pressure to set a price that will attract adequate usage of the service.
N/A	No Pricing Policy	No Pricing Policy allocated to Fee
O	In-House	The service is provided predominantly for Council use, but sale to external markets may defray costs.
P	Entrepreneurial	The service is a profit-making activity and the price paid by users should recover an amount greater than the full cost of providing that service.
Q	Penalty	The fees charged are greater than the cost of the service, to act as a disincentive.
R	Utility	Fee charges for possession, occupation or enjoyment of Council land, public land and air space by gas, electricity, telecommunications and water utilities.
