YOUTH WEEK

11-21 April

Express. Empower. Get loud!

Do you have a story to tell? Do you love writing? Do you feel excited when you think about putting words down, and having them really mean something? Does the idea of seeing your name at the top of a page of great writing full of terrific ideas thrill you? Would you like to be able to write better, and to learn from the best?

If you answer yes to any of these questions, then you're in luck, because WestWords and WestLit Libraries, as part of the 2024 Living Stories Western Sydney Writing Prize, are offering free creative writing workshops at City of Parramatta Libraries. These workshops are intended to help writers gain confidence and skills in their creative writing.
