Stage 1 continued: or	ne month closure late	-2025 (dates to be co	onfirmed)
Late-2025 (dates to be confirmed). One month closure of North Rocks Road (north bound).  Detours will be in place.  The works schedule is subject to the successful completion of planned works earlier in the program and approval from Transport for NSW.  Dates to be confirmed in further updates.	Monday to Friday 7am to 5pm and Saturdays 8am to 1pm.  Nightwork from 9pm to 5am if required.  Construction of the western bridge deck. Asphalting, line marking, and utility connections.  Dates and work hours to be confirmed.	One (1) month closure of North Rocks Road.  Dates to be confirmed.  The works program is subject to the successful completion of planned earlier works and approval from Transport for NSW.	Motorists will be able to travel south along North Rocks Road and turn right into the Woolworths' driveway at The Mills shopping centre.  Access will be provided for buses and emergency service vehicles through the construction site (in both directions) during the entire Hunts Creek Bridge replacement program.  Avoid the area if you can.  Expect delays.  Allow extra travel time.

## Stage 2: September 2025 to February 2026 (dates to be confirmed)

September 2025 to February 2026 (dates to be confirmed).

Work will focus on the eastern side of the bridge and will include pilling, demolition, and excavation. Work on Hunts Creek will also begin Monday to Friday 7am to 5pm and Saturdays 8am to 1pm.

Potential nightworks and weekend work (to be confirmed).

Work will focus on the eastern side of the bridge.

Dates and duration to be confirmed.

Further updates to be provided.

The works program is subject to the successful completion of planned earlier works and approval from Transport for NSW.

In Stage 2, North Rocks Road is open to traffic.

One (1) lane in both directions.

No detours in place.

Expect some delays.

Allow extra travel time.

## Stage 3: February 2026 to March 2026 (dates to be confirmed).

The construction program is subject to the successful completion of planned works earlier in the schedule and subject to approval from Transport for NSW.

Work is likely to take place during standard construction hours Monday to Friday 7am to 5pm and Saturday 8am to 1pm.

(Dates to be confirmed).

The construction program is subject to the successful completion of planned works earlier in the schedule and approval from Transport for NSW.

Further updates will be provided once the program is confirmed.

Reshaping of Hunts Creek and lining with a thin layer of rock to protect the creek banks and bed from erosion will also begin.

Utility relocation.

Construction of bridge deck and asphalting.

Monday to Friday 7am to 5pm and Saturdays 8am to 1pm.

Nightshifts and weekend work may be required.

Finalisation of bridge and footpath.

Reinstatement of utility work and driveways.

Line marking and site clean-up.

Project completion and opening of North Rocks Road.

Dates and duration to be confirmed.

Further updates to be provided.

Two (2) months predominantly standard working hours.

Monday to Friday 7am to 5pm and Saturdays 8am to 1pm.

Should nightworks be required, North Rocks Road will be reinstated for normal use by 5am each day.

Traffic maintained in both directions by traffic controllers.

Traffic control in place at The Mills driveway to ensure access in and out of the shopping centre.

Increased truck movements to and from the laydown area (compound) on Bourke Street expected.

Expect some delays.

Allow extra travel time.
