1. PURPOSE AND LIMITATION OF AUTHORITY

- 1.1 The primary role of the Environmental Sustainability Advisory Panel is to provide strategic, expert and impartial advice to the Council on the development, implementation, monitoring and review of the City of Parramatta's Environmental Sustainability Strategy (2024-2033) and related policies and plans.
- 1.2 The Environmental Sustainability Advisory Panel is an advisory body to the City of Parramatta and is not an executive panel and does not have the authority to:
- Expend money on behalf of Council
 - Undertake any work or make decisions on behalf of Council
 - Commit Council to any arrangement
 - Consider any matter outside its specific reference
 - Direct Council officers in the performance of their duties; or
 - Represent the Council in any communication with the public or media without the express permission of the City of Parramatta.
- 1.3 The Environmental Sustainability Advisory Panel's advice must take into consideration current City of Parramatta's policies, strategies and operational plans.
- 1.4 These Terms of Reference set out the rules that members of the Environmental Sustainability Advisory Panel must follow.

2. OBJECTIVES

- 2.1 The objectives of the Environmental Sustainability Advisory Panel are to:
- Provide advice to Council on the implementation, monitoring and review of the Environmental Sustainability Strategy and any Council key plans or actions that support environment sustainability and our natural environment.
 - Promote an increased knowledge and understanding of environmental sustainability, including advice on industry trends and emerging issues.
 - Provide input into policy development, planning and advice to Council across all areas where there is a likely impact on environmental sustainability.

- Actively support Council's consultation with and advocacy to the broader community on environment and sustainability related matters.

3. RESPONSIBILITIES

Position	Responsibility
All Committee Members	• Read the agenda prior to each meeting and actively contribute to the discussions. • Be an advocate for the Environmental Sustainability Advisory Panel. • Have a broad understanding of relevant issues, the adopted Council strategies and associated actions.
Chairperson (Councillor)	• Facilitate the meetings of the Environmental Sustainability Advisory Panel.
Deputy Chairperson (Councillor)	• Facilitate the meetings of the Environmental Sustainability Advisory Panel when the Chairperson is unable to attend.
Convenor (CEO, Executive Director or delegate)	• Convene the meetings and support the Chairperson of the Environmental Sustainability Advisory Panel. • Prepare the agenda for meetings of the Environmental Sustainability Advisory Panel. • Provide notice of cancellation of an Environmental Sustainability Advisory Panel meeting in circumstances where there is no business (reports) to be considered.
Other Councillors	• All Councillors, other than the Chairperson and Deputy Chairperson, are ex-officio members of the Environmental Sustainability Advisory Panel. • Ex-officio Councillor members may contribute to the meeting, as permitted by the Chairperson.
Council Secretariat	• Assist the Convenor and Chairperson with all aspects of the Environmental Sustainability Advisory Panel. • Responsible for reporting the minutes and outcomes of each Environmental Sustainability Advisory Panel meeting to the next available meeting of Assets and Infrastructure Committee for consideration, assisted by the Convenor.

4. CONVENOR

- 4.1 The Convenor of the Environmental Sustainability Advisory Panel is the CEO, Executive Director City Assets and Operations or their delegate.
- 4.2 The Convenor will assist the Chairperson in progressing the meeting in accordance with the agenda.
- 4.3 The Convenor is responsible for ensuring any action items, such as requests for information or guest speakers, as recorded in the minutes, are actioned and reported back to the Environmental Sustainability Advisory Panel at a subsequent meeting.
